

## Environmental Policy Statement

Issued: March 2014

Celebration Paper and Plastics Ltd are committed to:

Continual improvement of our environmental performance, including prevention of pollution and ongoing environmental improvement programmes. Environmental improvement programmes include defined targets, method, resources & measurement of improvement;

Complying with relevant environmental legislation & regulations;

Continual improvement of the environmental management system to enhance environmental performance including the recycling of waste, promoting renewable sourcing of raw materials, particularly wood-fibre products and working with our suppliers in maintaining a closed-loop FSC chain of custody;

Being a responsible member of the community;

Ensuring that Environmental Management is documented, understood, implemented & maintained at all levels in the organisation;

Making available the Environmental Policy to any interested parties;

Basing the Environmental Policy, Aspects and Procedures described in the Environmental Manual on the requirements of the specification for Environmental Management Systems BS EN ISO 14001.

Only items identified with an 'F' prefix are FSC certified  
TT-COC-004282 – FSC Mix Credit
